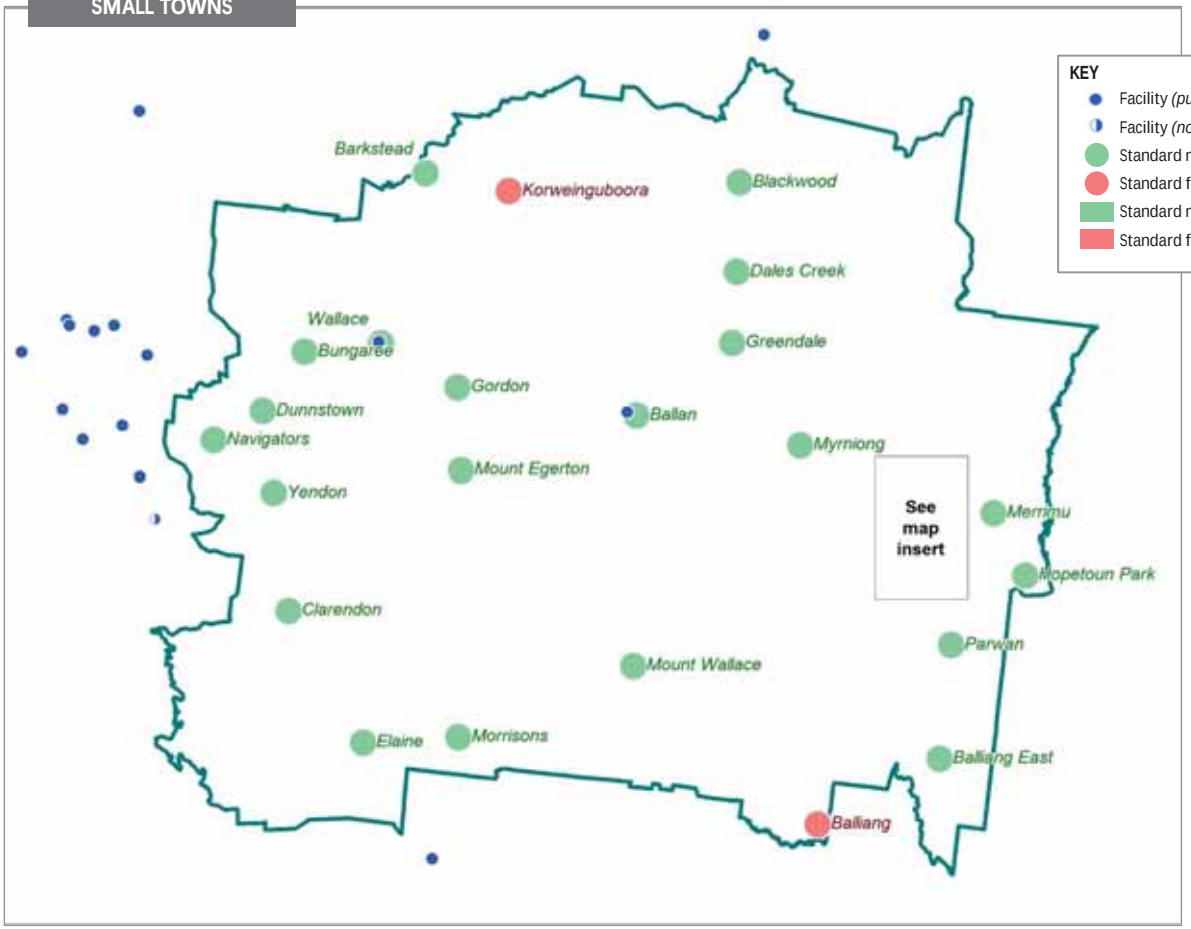
4 YEAR OLD KINDERGARTEN

SMALL TOWNS



MAP INSERT – BACCHUS MARSH & SURROUNDS

Travel Accessibility Standards (SMALL TOWNS):

Population range	Travel Accessibility Standard
Less than 200	20 minute drive
200 to 500	15 minute drive
500 to 2,000	10 minute drive
2,000 to 6,000	10 minute drive

Travel Accessibility Standards (URBAN PROPERTIES):

Population range	Travel Accessibility Standard
More than 6,000	5 minute drive

The Travel Accessibility Assessment uses the *VicMap Address* database. Newly created or renumbered addresses that have not yet been added to the VicMap Address database will appear red on the 'Bacchus Marsh and Surrounds Insert' map. For this reason, individual properties or small groups of properties shown red but surrounded in green are most likely affected by this error and will be corrected over time as the VicMap Address database is updated.
