* **Works Manager** - Any person or body that is responsible for the conducting of works in, on or under the road. (Road Management Act-Schedule 7, Clause 14)

Works Manager Responsibilities: (As per Road Management Act - Schedule 7, Section 14)

- Principles applying to infrastructure managers and works managers:
- (1) An infrastructure manager or a works manager must have regard to the principles specified in this clause in the provision of non-road infrastructure on roads
 - (2) The primary purpose of a road is use by members of the public and authorised users must be managed as far as is reasonably practicable in such a way as to minimise any adverse impacts on the primary purpose
 - (3) Without limiting the generality of sub-clause (2), authorised users must be managed so as to -
 - a. Minimise any damage to roads and road infrastructure
 - b. Ensure that works necessary for the provision on non-road infrastructure are conducted as quickly as practicable;
 - c. Minimise any disruption to road users
 - d. Minimise any risk to the safety and property of road users and the public generally;
 - e. Facilitate the design and installation of infrastructure which minimises any risk to the safety of road users
 - f. Ensure that the road and any other infrastructure is reinstated as nearly as practicable to the condition existing before the works necessary for the provision of the non-road infrastructure were conducted
 - g. Protect and preserve existing significant roadside vegetation and sites of biological significance within the road reserve

Sketch Plan:

Show the location of crossings, property boundaries, intersections, street trees, signs, kerb and channel, footpaths, width of crossing, size of skip bin etc. **Please do not use pencil.**
