# Important Information Before Using This Guide

## Australian Standards

### Design for Access and Mobility

AS 1428 have been prepared and revised in light of the Disability Discrimination Act (DDA) which has been in effect since March 1993.

Australian Standards recommends the basic requirements for physical access that need to be considered when planning, developing and constructing new buildings and facilities. For a number of reasons not all premises currently comply with the Australian Standards 1428.

The listing of an eatery and its facilities in this guide does not guarantee its compliance with the Australian Standards 1428. This guide is intended to provide potential customers with information that can assist them to choose a venue that fits their individual requirements.

**Please check individual businesses to confirm current access requirements and opening hours.**

## Toilets

Identification of a designated accessible toilet does not automatically mean the toilet is compliant with the current AS 1428 requirements. It indicates that there is a toilet marked with the International Symbol of Access and the cubical may be of a larger size than a standard cubicle. Appropriate fixtures and fittings may not yet be installed to ensure full access. Potential customers should check with the individual eatery to obtain further details if required.

Moorabool Shire Council's Marveloo is located at the Andy Arnold Community Centre, Bennett Street, Bacchus Marsh.

The Marveloo is a mobile accessible restroom which is available for use by people with a severe disability and their carers. A MLAK key is required. The Marveloo is also available for hire. Check Moorabool Shire Council website: [moorabool.vic.gov.au](http://moorabool.vic.gov.au) for further information.

## Car Parking

Unless stated, only public on-street parking is provided. Where possible we have given information regarding proximity of designated accessible car parks to each eatery listed in this guide.

### Parking for People with a Disability

The State-wide Disabled Person's Parking Permit Scheme provides a number of parking concessions based on the applicant's need for assistance. If you are a permanent resident of Moorabool Shire and have a disability, you may be eligible for a disabled persons parking permit.

For further information contact Moorabool Shire Council on (03) 5366 7100 or email: [info@moorabool.vic.gov.au](mailto:info@moorabool.vic.gov.au)

### Disabled Person's Parking Permit

A statewide Disabled Person's Parking Permit scheme currently operates in Victoria. The scheme has two categories with varying parking concessions, based on the applicants need for assistance.

There are two categories of permits available:

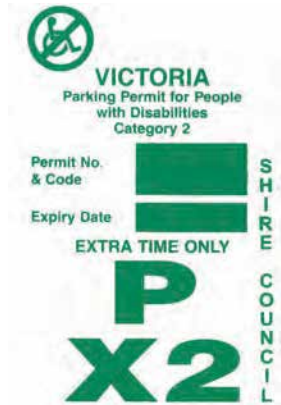

- **Category 1 (Blue)**
- **Category 2 (Green)**

**Holders of Category One (Blue) permit:**

Under Category One, permit holders with significant intellectual or ambulatory disabilities, who meet the eligibility criteria, are entitled to park a vehicle in a special bay reserved for people with a disability only, for the specified time only, or may park a vehicle in any ordinary area or bay for twice the specified time (upon payment of any initial parking fee, if applicable).

**Holders of Category Two (Green) permit:**

Under Category Two, permit holders who require rest breaks when walking may park a vehicle in any ordinary area or bay for twice the specified time (upon payment of any initial parking fee, if applicable). The permit label should be carried by the permit holder when he/she is not being

transported in a vehicle. Permits must not be left on display when the vehicle is not engaged in the process of transporting a permit holder. Category Two permit holders are permitted to park in an ordinary parking bay for twice the time limit indicated, upon payment of the initial parking fee. *Note: Category Two permit holders are not permitted to park in special disabled persons parking bays.*
