RECOVERY SERVICES

Michelle Richards, Fire Recovery Coordinator works from the Buninyong Community House at 407 Warrenheip Street on Mondays and Thursdays from 9am to 4pm. She is contactable each day on 0400 324551.

RETURN OF DR ROB GORDON 12 April 2016

Dr Rob Gordon will return to the Buninyong Town Hall on Tuesday 12 April from 7.00pm.

The Rob Gordon session is a follow up to the Community Recovery Session held on 6 January 2016.

Dr Gordon has previously spoken to the community about identifying what is most important for a new life after the fire rather than rushing to replicate the old way of living. The session was punctuated with stories from others coping with loss and trauma and Dr Gordon's message was to rest and recognise that recovery will take some time.

All are welcome to attend the session. For further information call Michelle on 0400 324 551

ANIMAL REGISTRATION RENEWALS

The annual animal registration notices have been issued across the Shire. We appreciate that some previously registered animals have been lost in the fire or no longer reside in the Shire.

If you have received a renewal notice for an animal that has passed away please call Michelle Richards on 0400 324 551 or Shannon Walsh on 5366 7100 or email info@moorabool.vic.gov.au for this to be corrected. Registrations are due by 10 April 2016.

3 LOAN CARS PROVIDED BY PETER STEVENS MOTORS

Three families who lost everything in the fire have taken up an offer to borrow a Nissan from Peter Stevens Motors. The 3 vehicles have been provided free of charge for the next three months.

Michael Warren, New Car Sales Manager said “everyone locally has been shocked by the magnitude of this fire and the impact it has had on the affected families”.

“The team at Peter Stevens Motors, in conjunction with Nissan Motor Company Australia, wanted to do something to really assist these people to get back on their feet after losing so much”.
