MISSING TURTLE SCULPTURE

During the pack-up of the Arts Exhibition, a turtle sculpture (below) was misplaced. The turtle was lovingly made by Mitchell Powers and is greatly missed.

Could you please check to see if the turtle accidentally went home with your exhibition entries?

The turtle can be returned to Michelle who will reunite it with Mitchell.

ONGOING FUNDING FOR RECOVERY

The State Government has provided an additional \$80,000 in funding to continue with the Scotsburn Fire Recovery Coordinator position until 10 November 2017.

The additional funding is the result of strong advocacy from members of the community to the Minister and the support from both DHHS and Moorabool Shire Council.

Michelle Richards will continue to provide support to both Moorabool and Ballarat residents affected by the December 2015 fires. Michelle will be based in Ballan as she continues in this position.

A key outcome of this further funding is to transition the recovery process to the Community Recovery Committee and to further build community capacity and resilience.
